SECTION I. SCOPE OF SERVICES

1. INTRODUCTION

The City of Tampa (City) is seeking responses from interested and qualified organizations and firms to provide professional consulting services for development and implementation of a Job Order Contracting (JOC) System. The main objective of the system is to enable the City to rapidly engage contractors to perform small to medium sized maintenance, repair and construction projects (less than \$100,000.00) which are not subject to the State of Florida Consultants' Competitive Negotiations Act (CCNA) State Statutes.

JOC is an indefinite quantity contract pursuant to which the contractor will perform an ongoing series of individual projects at different locations within the City's service areas which are included in Attachment B of this document. JOC is an innovative procurement program that was developed to provide facility managers with an alternative procurement method to accomplish small to medium size maintenance, repair and construction projects. The JOC program streamlines the procurement process by using pre-approved, competitively bid, firm fixed-price, contracts thereby eliminating the need to solicit bids for the completion of JOC compatible projects. By using the JOC program, departments can expect to improve the efficiency and cost effectiveness of the procurement process and reduce the overall time required to accomplish projects.

Contract award will be determined by the quality of the responses received and the City, at its discretion, shall award projects under a JOC system on an as needed basis according to the best interest of the City. For any contract awarded as a result of this RFP, no minimum or maximum number of projects assigned to the Successful Proposer can be guaranteed by the City.

2.4 Have the ability to maintain adequate files and records and meet statistical reporting requirements.

2.5 Have the administrative and fiscal capability to provide and manage the proposed services and to ensure an adequate audit trail.

2.8 Must be fully familiar and experienced with JOC Programs and JOC software applications for delivery of projects.

2.9 Train JOC general contractors in such JOC programs and JOC software applications, as needed for successful completion of projects.

2.10 Work closely with City departments including but not limited to various user departments, Purchasing, Risk Management and Legal.

2.11 Be responsible in providing clear and concise specifications for the City's successful selection of JOC general contractors. The City's goal is to award JOC contractor(s) who will complete projects expeditiously and in accordance with industry standards and regulations at a reasonable cost.

1.23 Deviations. Proposals should clearly and with specificity detail all deviations to the requirements, terms and conditions set forth in this Request for Proposal. Such deviations must be stated within Section II. General Information, Section 3. Content of Proposals, Tab 9. Deviations to the RFP. Proposers are hereby advised that in instances where a deviation is stated and/or is otherwise found in Proposer's Proposal, said Proposal will be subject to rejection by the City in recognition of the fact that said Proposal does not meet the requirements imposed by this RFP and/or if such deviation is considered material in nature, in the sole discretion of the City. For informational purposes only, a deviation is considered material if (a) the deviation deprives the City of their assurance that the anticipated contract will be entered into, performed and guaranteed according to this RFP's specific requirements, or (b) the deviation provides the deviating Proposer with an undue competitive advantage over the other Proposers. A Proposal may not be subject to rejection where, at the sole discretion of the City, the stated deviation is considered to be equal or better than the imposed requirement, and where said deviation does not destroy the competitive character of the RFP process by affecting the Proposal such that an advantage or benefit is gained to the detriment of the other Proposers. Proposers are strongly cautioned against taking deviations to the requirements, terms and conditions set forth in this RFP.

1.24 Data Collection. Pursuant to Section 119.071(5)(a), Florida Statutes, social security numbers collected from bidders are used for identification, verification, and tax reporting purposes.

1.25 Indemnification. Successful Proposer releases and agrees to defend, indemnify and hold harmless the City, its officers, elected and appointed officials, employees, and/or agents (collectively, "City Indemnified Parties") from and against any and all losses, liabilities, damages, penalties, settlements, judgments, charges, or costs (including without limitation attorneys' fees, professional fees, or other expenses) of every kind and character arising out of any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind and character cause by or resulting from, directly or indirectly, in whole or in part, by any act, negligence, recklessness, wrongful misconduct, omission or other conduct of Successful Proposer or any tier of subcontractor/subconsultant/ supplier, agent, employee, or anyone for whom Successful Proposer may be liable, in connection with, arising directly or indirectly out of the execution or performance of the obligations assumed under or incidental to this Contract hereof (singularly or collectively "Claims"), even if it is alleged that the City Indemnified Parties were negligent, unless such injuries or damages are ultimately proven to be solely the result of grossly negligent or willful acts or omissions on the part of the City Indemnified Parties. Without limiting the generality of the foregoing, any and all such Claims, including but not limited to personal injury, disease, sickness, death, damage to property, natural resources, or the environment (including destruction or loss of use, costs of hazardous or toxic substance cleanup and disposal), defects in materials or workmanship, actual or alleged infringement of any patent, trademark, copyright (or application for any thereof) or of any other tangible or intangible personal or property right, or any actual or alleged violation of common law, any applicable law, statute, ordinance, administrative order, rule, or regulation or decree of any court, shall be included in the indemnity hereunder and, to the extent required, the defined term "Claims". Successful Proposer further agrees to investigate, handle, respond to, provide defense (including without limitation attorney fees, paralegal fees, and expert fees to and through appellate, supplemental, or bankruptcy proceedings) for and defend any such Claim at its sole cost and expense through counsel approved in writing by the City and agrees to bear all other costs and expenses related thereto, even if the Claims are groundless, false, or fraudulent. Successful Proposer shall advance or promptly reimburse to a City Indemnified Party any and all costs and expenses incurred by such City Indemnified Party in connection with investigating, preparing to defend, settling, or defending any legal proceeding for which the City Indemnified Party is entitled to indemnification hereunder. This obligation shall in no way be limited in any nature whatsoever by any limitation on the amount or type of Successful Proposer's insurance coverage.

The parties agree that to the extent the written terms of this indemnification are deemed by a court of competent jurisdiction to be in conflict with any provisions of Florida law, in particular Sections 725.06 and 725.08, Florida Statutes, the written terms of this indemnification shall be deemed by any court of competent jurisdiction to be modified in such a manner as to be in fully and complete compliance with all such laws and to contain such limiting conditions or limitations of liability, or to not contain any unenforceable or prohibited term or terms, such that this indemnification shall be enforceable in accordance with and to the maximum extent permitted by Florida law. Further, whenever there appears in

this Contract (or any other documents made a part hereof) an indemnification within the purview of Section 725.06, Florida Statutes, the monetary limitation on the extent of the indemnification under such provision shall be \$1 Million Dollars or a sum equal to the total contract price, service cost, or project value whichever is greater.

The obligation of Successful Proposer under this Section is absolute and unconditional; it is not conditioned in any way on any attempt by a City Indemnified Party to collect from an insurer any amount under a liability insurance policy, and is not subject to any set-off, defense, deduction, or counterclaim that the Contactor might have against the City Indemnified Party. The duty to defend hereunder is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of Successful Proposer, the City, and any City Indemnified Party. The duty to defend arises immediately upon presentation of a Claim by any party and written notice of such Claim being provided to Successful Proposer. Successful Proposer's defense and indemnity obligations hereunder will survive the expiration or earlier termination of this Contract.

Successful Proposer agrees and recognizes that the City Indemnified Parties shall not be held liable or responsible for any Claims which may result from any actions or omissions of Successful Proposer in which the City Indemnified Parties participated either through providing data or advice and/or review or concurrence of Successful Proposer's actions. In reviewing, approving or rejecting any submissions by Successful Proposer or other acts of Successful Proposer, the City in no way assumes or shares any responsibility or liability of Successful Proposer or any tier of subcontractor/subconsultant/supplier, under this Contract.

In the event the law is construed to require a specific consideration for such indemnification, the parties agree that the sum of Ten Dollars and 00/100 (\$10.00), receipt of which is hereby acknowledged, is the specific consideration for such indemnification and the providing of such indemnification is deemed to be part of the specifications with respect to the services provided by Successful Proposer.

1.26 EXEMPT INFORMATION. As part of the services performed by Successful Proposer under this contract, the City may provide Successful Proposer with certain building plans, blueprints, schematic drawings and diagrams, including draft and final formats, that depict the internal layout and structural elements of a City building or facility ("Exempt Plans"). 4. EVALUATION OF PROPOSALS

4.1 The City will not be under any requirement to complete the evaluation by any specific date and reserves the right to suspend or postpone the evaluation process should the need arise due to budget constraints, time constraints or other factors as directed by the City. However, it is anticipated that the review/evaluation process will be completed in a timely manner.

A Proposal Evaluation Committee will be established to review and evaluate all proposals submitted in response to this RFP. The Committee shall conduct a preliminary evaluation of all proposals on the basis of the information provided and other evaluation criteria as set forth in this RFP. The contract will be awarded to the most qualified Successful Proposer per the evaluation criteria listed below.

EVALUATION CRITERIA

MAXIMUM POINT VALUES

Cost to the City	10 points
Firm's Experience and Qualifications	35 points
Personnel	20 points
Responsiveness to the Scope of Services	25 points
WMBE/SLBE Participation	10 points
TOTAL POINTS	100 points

4.2 Application of WMBE and SLBE Evaluation Points. During the evaluation of proposals for WMBE and SLBE participation, the Minority and Small Business Development Office will be responsible for assigning the points under this criteria. WMBE and SLBE points will be determined as follows:

1. A maximum of ten (10) rating points may be awarded when the Proposer is a City of Tampa certified WMBE Company participating as the prime contractor deemed **underutilized** within the industry category established by the RFP ("**Construction**" and "**Construction-Related**" Services").
2. A maximum of five (5) rating points may be awarded when the Proposer is a City of Tampa certified SLBE business participating as the prime contractor; or,
3. One to Seven (1-7) rating points may be awarded when the Proposer is not a City of Tampa certified SLBE prime contractor or a non-underutilized WMBE company but utilizes WMBE and/or SLBE certified firm(s) as Sub-contractors/consultants, and assigned to perform meaningful segments of the contractual services detailed herein and documented on the enclosed MBD Form 10-20 (4 pages total).

NOTE: The maximum number of points achievable for WMBE and/or SLBE participation will not exceed a total of 10 points.

The evaluation includes but is not limited to the following criteria:

- Diversity of WMBE/SLBE subcontractors listed to be utilized (MBD Form 20)
- Percentage of proposal/scope committed to WMBE/SLBE subcontracting
- The collective factors in determining the total points awarded will be based on the overall weight of evidence in the proposal that specified the participation.

In all cases, the Proposer and/or subcontractor(s) must be WMBE and/or SLBE certified prior to the opening date and time of the RFP to be eligible to earn WMBE/SLBE rating points. As proof of certification, include copies of all WMBE and SLBE certificates in the proposal. The evaluation process of WMBE and SLBE participation will be evaluated by the City of Tampa's Minority and Small Business Department Office. The Successful Proposer will be required to execute MBD Form 40 (Letter of Intent-LOI) with their subcontractors/sub-consultants prior to award.

4.3 Proposals will be evaluated and rated based on the criteria stated in this RFP, including but not limited to the following:

- 4.3.1** Responsiveness of the Proposal to the scope of work.

- 4.3.3** Experience of the business and individual members of the business in accomplishing similar services.
- 4.3.4** Responses of the client references.
- 4.3.5** Such other information that may be required or secured.

4.4 SHORT- LISTING

The Evaluation Committee at its sole discretion may create a short-list of the highest scored proposals based on the preliminary evaluation against the evaluation criteria. Only those short-listed Proposers would be invited to participate in interviews and/or presentations, demonstrations or product testing. Upon conclusion of any interviews and/or presentations, demonstrations or product testing, the Evaluation Committee will finalize the scoring against the evaluation criteria.

4.5 INTERVIEWS/DEMONSTRATIONS

If requested, Proposers may be required to participate in on-site interviews and conduct demonstrations to the City's Evaluation Committee and other City representatives, in order to clarify the proposal submitted and present the

Proposer's proposed solution. Additionally, the Proposer's key personnel may be required to be in attendance during this process.

Proposers should be prepared to discuss and substantiate any of the areas of the proposal submitted, as well as its qualifications to furnish the specified products and services. The interviews and demonstrations will be scored by the Evaluation Committee.

Notwithstanding the possibility of a request for an on-site interview and demonstrations, Proposers shall not rely on the possibility of such a request and shall submit a complete and comprehensive written response to this solicitation. Any costs incurred for the interviews and the oral demonstrations are the responsibility of the Proposer.

4.5 The City reserves the following rights to:

4.5.1 Conduct pre-award discussion and/or pre-award/contract negotiations with any or all responsive and responsible Proposers who submit proposals determined to be reasonably acceptable of being selected for award; conduct personal interviews or require presentations of any or all Proposers prior to selection; and make investigations of the qualifications of Proposers as it deems appropriate, including, but not limited to, a background investigation conducted by the Tampa Police Department or any other law enforcement agency.

4.5.2 Request that Proposer(s) modify its proposal to more fully meet the needs of the City or to furnish additional information as the City may reasonably require.

4.5.6 Waive any irregularity in any proposal, or reject any and all proposals, should it be deemed in its best interest to do so. The City shall be the sole judge of Proposers' qualifications and reserves the right to verify all information submitted by the Proposers. The proposal selected will be that proposal which is judged to be the most beneficial to the City.

4.6 Financial Statements. The City reserves the right to request that Proposers submit their annual financial statements for the last three fiscal years, including company financial statement summaries, certified by a Certified Public Accountant. If the organization has been in business for a period of less than three years, Proposers may be required to submit a detailed business plan in addition to any pertinent information that would allow the City to evaluate the sufficiency of financial resources and the ability of the business to successfully perform the services enumerated in the contract. Unless otherwise stated, such requests would be made after the submission of the proposals and prior to award of a contract.

5. ADDITIONAL CONTRACT TERMS

5.1 Basis of Award. A contract will be awarded to the most responsible and responsive Proposer whose proposal meets the needs of the City to the best degree. **OFFICIAL AWARD WILL BE MADE BY CITY OF TAMPA PURCHASE ORDER ONLY.**

Failure to promptly submit this evidence of qualification to transact business in the State of Florida may be a basis for rejection of the proposal.

Any Proposer who is owing to the City of Tampa upon any debt, contract, or other obligation to the City, or who is a defaulter as a surety or otherwise, will not be eligible for consideration for contract award regarding this solicitation.

5.2 Award/Contract Term. The period of the contract shall be for two (2) years from the effective date of the award, and may, by mutual written agreement, be renewed at the same terms and conditions for three (3) additional one-year periods.

The City is exempt from all State and Federal sales, use and transportation taxes.

Whenever the Successful Proposer is required or desires to use any design, device, material or process covered by letters of patent or copyright, the Successful Proposer shall indemnify, defend and save harmless the City, its officers, agents and employees from any and all claims for infringement by reason of the use of any such patented design, tool, material, equipment, or process, to be performed under the contract, and shall indemnify the said City, its officers, agents, and employees for any costs, expenses and damages which may be incurred by reason of any infringement at any time during the prosecution or after the completion of the work. The duty to defend under this paragraph is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Successful Proposal, the City and any indemnified party. This provision shall survive the termination of this contract and shall continue in full force and effect so long as the possibility of any liability, claim or loss exists, unless otherwise prohibited by law.

5.7 Government Purchasing Council. Hillsborough County Government Purchasing Council members may, at their discretion or option, utilize this bid as they require. Estimated quantities for Hillsborough County GPC members have not been included in the Bid Response form. Purchases by these entities may increase the value of the award. EXHIBIT 1 - CITY OF TAMPA INSURANCE REQUIREMENTS

Prior to commencing any work or services or taking occupancy under that certain written agreement or award (for purposes of this document, Agreement) between the City of Tampa, Florida (City) and Firm/Successful Proposer/Contractor/Consultant/Lessee/non-City party, etc. (for purposes of this document, Firm) to which this document is attached and incorporated as an Exhibit or otherwise, and continuing during the term of said Agreement (or longer if the Agreement and/or this document so requires), Firm shall provide, pay for, and maintain insurance against claims for injuries to persons (including death) or damages to property which may arise from or in connection with the performance of the Agreement (including without limitation occupancy and/or use of certain property/premises) by Firm, its agents, representatives, employees, suppliers, subtenants, or subcontractors (which term includes sub-consultants, as applicable) of any tier subject to the terms and conditions of this document. Firm's maintenance of insurance coverage as required herein is a material element of the Agreement and the failure to maintain or renew coverage or provide evidence of same (defined to include without limitation Firm's affirmative duty to provide from time to time upon City's request certificates of insurance, complete and certified copies of Firm's insurance policies, forms, and endorsements, information on the amount of claims payments or reserves chargeable to the aggregate amount of coverage(s) whether during the term of the Agreement or after as may be requested by the City in response to an issue or potential claim arising out of or related to the Agreement to which Firm's insurance obligations hereunder may apply or possibly help mitigate) may be treated as a material breach of the Agreement. Should at any time Firm not maintain the insurance coverages required, City at its sole option (but without any obligation or waiver of its rights) may (i) terminate the Agreement or (ii) purchase such coverages as City deems necessary to protect the itself (charging Firm for same) and at City's option suspending Firm's performance until such coverage is in place. If Firm does not reimburse City for such costs within 10 days after demand, in addition to any other rights, City shall also have the right to offset such costs from amounts due Firm under any agreement with the City. All provisions intended to survive or to be performed subsequent to the expiration or termination of the Agreement shall survive, including without limitation

Firm's obligation to maintain or renew coverage, provide evidence of coverage and certified copies of policies, etc. upon City's request and/or in response to a potential claim, litigation, etc.

The City reserves the right from time to time to modify or waive any or all of these insurance requirements (or to reject policies) based on the specific nature of goods/services to be provided, nature of the risk, prior experience, insurer, coverage, financial condition, failure to operate legally, or other special circumstances. If Firm maintains broader coverage and/or higher limits than the minimums shown herein, the City requires and shall be entitled to such broader coverage and/or higher limits maintained by Firm. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City. Firm acknowledges and agrees Firm and not the City is the party in the best position to determine applicability (e.g. "IF APPLICABLE"), confirm, and/or verify its insurance coverage. Acceptance by the City, or by any of its employees, representatives, agents, etc. of certificates or other documentation of insurance or policies pursuant to the terms of this document and the Agreement evidencing insurance coverages and limits does not constitute approval or agreement that the insurance requirements have been met or that coverages or policies are in compliance. Furthermore, receipt, acceptance, and/or approval of certificates or other documentation of insurance or policies or copies of policies by the City, or by any of its employees, representatives, agents, etc., which indicate less coverage than required does not constitute a waiver of Firm's obligation to fulfill these insurance requirements.
